

Date: 17<sup>th</sup> day of September, 2010  
Name: Patrick Ryan  
Candidate for: President of the United States Table Soccer Federation

Education: 3 years at Anne Arundel Community College (major-Business Management)  
2 years at Towson State University (major-Business Management)

Experience: Currently, I am the President and General Manager of M.V. Construction Corporation, in Bowie, MD. It is a small/medium sized construction firm in Maryland that has been in business for over 50 years. I currently sit on the Board of Directors for this company as well.

I also currently sit on the Executive Commission of the International Table Soccer Federation (have served almost 2 years of a 4 year term, I was elected by the General Assembly of the ITSF in January, 2009).

I also currently a member of the Board of Directors of the United States Table Soccer Federation and I am an Officer of the USTSF (Secretary), having served one year of a 2-year term in that position.

I believe that my experience as stated above, plus many years of experience as a table soccer player, promoter and tournament director give me insight to the sport of table soccer from the local to the international level, as well as the world of business, that would serve me well as President of the United States Table Soccer Federation.

Should you have any questions regarding my candidacy, qualifications, or anything else, please feel free to contact me at [pryan \[dot\] ustsf \[at\] gmail \[dot\] com](mailto:pryan@ustsf.com).

Thank you for your consideration,

Patrick M. Ryan
