Hello USTSF State and Regional Directors,

This is the official e-mail ballot for the USTSF Board of Directors Elections. If you received this e-mail, it is because you are currently listed as a USTSF State or Regional Director. The collection and counting of the votes will be handled by the election judge (someone who is not up for election, will not be on the Board, no strong ties to any of the candidates and does not have a vote in the election). All ballots are confidential, and shall remain as such.

Please remember, each State gets one vote, and each Regional Director gets one vote.

If you are a "Co-Director" where you and someone else are both listed as directors from the same state, please coordinate with the other director and submit only one vote for your state.

For the "At-Large" position on the Board of Directors:

Please submit the name of the candidate, if you feel they should be elected to the USTSF Board of Directors (if you feel they should not be elected, please do not submit the name).

Jim Stevens
(and no others)

For the Office of President of the United States Table Soccer Federation:

Please submit the name of the candidate you wish to vote for. (In the case of candidates for USTSF President, each has submitted a statement of experience/qualification for your consideration.) Candidates are:

Carlos Hernandez
Pat Ryan
(and no others)

Please submit your response to the following e-mail address NOT LATER THAN 11:59 p.m., SEPTEMBER 30, 2010. Please send all votes to:

vote2010.ustsf@gmail.com.

Votes will be tallied by this year's election judge, David Radack, verified, and results publicly announced not later than Friday, October 1, 2010.

Thank you for taking the time to cast your ballot. Your continued active participation in and support of the USTSF and our sport is highly appreciated.

Sincerely,
The USTSF
